BATAB Coalition Mr. Fernando Saenz Ortega, 8 Calle 2-48, Zona 10, Guatemala City, Guatemala

RE: U.S. Federal Governmental Relations

Dear Mr. Ortega:

Barnes & Thornburg LLP ("Firm") is very pleased to serve as U.S. federal government relations counsel to the BATAB Coalition ("Coalition"). It is important from the outset of this relationship that we have a clear understanding as to the identity of the Firm's client in this Engagement. The Firm's only client in this engagement is the Coalition. This representation does not extend to any governmental entity, political party, or other persons, individuals or entities who are not specifically identified in this letter.

SCOPE OF SERVICES

The Firm is being engaged to assist the Coalition with general governmental relations directed at improving relations between the United States and Guatemala. The Firm has only been engaged to assist Coalition with government relations work as indicated in this engagement letter. In the event our engagement is expanded to cover other legal services or if the scope of our government relations work is modified or expanded, those changes to our engagement must be in writing.

Although I will be the lawyer responsible for this Matter, from time to time other lawyers, legal assistants and legislative assistants at the Firm may assist me, depending upon their expertise and experience, and with the approval of the Coalition.

Since the outcome of any matter is subject to uncertainties and risks, the Firm has made no promises or guarantees to the Coalition concerning the outcome of any project or opportunity with federal government entities, nor can we do so. Nothing in this letter shall be construed as such a promise or guarantee.

The performance of services, as listed above, may give rise to a requirement that the Firm or a legal professional of the Firm register as a lobbyist or register as a foreign agent. The Firm will advise the Coalition of applicable lobbying laws and the requirements imposed under the

Atlanta Chicago Dallar Delawara Indiana Los Angeles Michigan Minneapolis Ohio Washington, D.C.

BATAB Coalition September 21, 2018 Page 2 of 3

Foreign Agent Registration Act, and take reasonable care to assure proper compliance. As Coalition would expect from lawyers, the Firm has an obligation not to reveal confidential information relating to the representation of a client, including information protected by the attorney-client privilege, unless the client gives informed consent. These restrictions apply to lawyers who are providing lobbying and government relations advice to clients. However, the Coalition acknowledges and provides such consent to disclose otherwise confidential information, to the extent necessary, to complete and comply with registration, disclosure, and reporting requirements imposed by lobbying laws and the Foreign Agent Registration Act.

This engagement is governed by the laws of the United States and the District of Columbia.

FEES

Barnes & Thomburg LLP will perform the services described above for a fixed fee of \$80,000 (USD) per month for a minimum term of six months, beginning in September, 2018. This fixed fee amount is inclusive of all reasonable and customary expenses, including travel, postage, messenger/courier, document reproduction, and wire/ACH service fees. The Firm's treatment of the payments received is governed by the standards established by the District of Columbia's Rules of Professional Conduct.

OTHER REPRESENTATIONS

Before the Firm agrees to this representation, it is appropriate to spell out the expectations or standards that will govern conflicts of interest that arise in the course of this Engagement. The Firm has more than 600 legal professionals throughout 14 offices, representing thousands of clients in various states, so it is foreseeable that representation of other Firm clients may be or become adverse to Coalition's interests from time to time.

With respect to our Firm's government relations practice, the Coalition is aware that the Firm represents the interests of other persons and entities before various legislative and executive bodies, and administrative agencies at the local, state, and federal level. In addition, the Firm represents a broad spectrum of clients in many different industries in connection with a wide variety of matters. In addition, because of the Firm's size, and as the Coalition might expect, the Firm has lawyers and non-lawyer lobbyists with many different views and philosophies. Some of the Firm's lawyers and non-lawyer lobbyists are from time to time involved with the political process for various candidates and causes, sometimes interests which in some cases, might be adverse to the interests the Coalition seeks to promote through its engagement of the Firm. We do not believe that our representation of these other clients with points of view that differ from the Coalition's will affect the Firm's ability to provide competent and diligent representation to any of our Firm's clients. Notwithstanding the above, our Firm will not represent other parties in a federal agency contracting or lobbying matter directly adverse to the Coalition. For example, we would not and could not concurrently advocate contrary positions for two clients before the same body or agency on the same issue. However, from time to time it is possible that we may take positions on behalf of other clients that may indirectly impact the Coalition's interests in matters in which we do not represent the Coalition. Thus, as a condition of the Firm's

BARNES & THORNBURGLEP-

undertaking this engagement, the Coalition must agree to waive all legal, business, and political conflicts which exist or may arise as a result of the Firm's representation of the Coalition and any other person or entity.

TERMINATIÓN OF SERVICES

Our engagement will terminate on February 28, 2019, unless the Firm and the Coalition should desire to extend the engagement in writing. The Coalition may terminate this engagement earlier by providing the Firm with a thirty (30) day notice. The Firm may terminate this engagement for nonpayment of our fees and where we are required or permitted to do so by the Rules of Professional Conduct after giving the Coalition reasonable notice and allowing time for the Embassy to engage successor counsel, if necessary.

Upon termination of this Agreement by either party, the Firm will be entitled (i) to retain all sums previously paid; (ii) to payment of all outstanding unpaid invoices; and (iii) to payment for services pro-rated through the date of termination.

CONCLUSION

If this letter accurately sets forth the engagement and the Coalition's understanding, please so indicate in the space provided below and return a signed copy of this letter to me. We ask the Coalition to acknowledge that, in reviewing and executing this letter, the Coalition has not relied on any advice provided by the Firm, but instead has acted solely in reliance upon the advice of other counsel.

I look forward to working with you on this matter. If you have any questions, please call me.

Sincerely.

Craig'S. Burkhardt
